

Worksheet for
Authorized and Nonauthorized Travel Routes
Including Land Conditions

Bear River Watershed Council
Project MUD
Motorized Use Data Project

Set GPS unit to UTM and NAD 83

General area name: _____ Route name/number: _____ Page number _____ of _____

Date: _____ Data Collector: _____ Topo map(s) _____ Route type: Graded road

Double track (auto width) Double track (ATV width) Single track Unsure Starts _____ Ends _____

Total numbers observed: ATV _____ 4WD _____ Motorcycle _____ Hiker _____ Bicycle _____ Car _____ Horserider _____

| Photo ID | Photo Direction | Waypoint | UTM Easting | UTM Northing | Photo Description & Comments <i>Please note where route begins and ends</i> | CHECK BOX if pictured spur route needs future investigation <input checked="" type="checkbox"/> | Conditions Observed |
|----------|-----------------|----------|-------------|--------------|--|---|---------------------|
| | | | | | | <input type="checkbox"/> | |
| | | | | | | <input type="checkbox"/> | |
| | | | | | | <input type="checkbox"/> | |
| | | | | | | <input type="checkbox"/> | |
| | | | | | | <input type="checkbox"/> | |
| | | | | | | <input type="checkbox"/> | |

| Signs and Information Conditions | | R4 | Poor drainage/water pooling | Other Conditions | |
|----------------------------------|---|-----------------------------|---|--|---|
| S0 | Travel Plan kiosk or trailhead sign | Y/N | R5 | Riparian impacts (stream crossings, bank impacts) | O1 Off-route travel in streambed |
| S1 | Entry/trailhead sign doesn't include user rules | | R6 | Designated route in stream bottom (distance in feet) | O2 Large area of bare soil |
| S2 | Sign damaged, absent, or not useful | | R7 | Construction or maintenance | O3 Dispersed camp site |
| S3 | End of route sign present | Y/N | R8 | Vegetation impacts | O4 Litter |
| S4 | Sign inconsistent with Travel Plan/User Rules | | R9 | Route enters private property | O5 Staging area (OHV and others) |
| Route Conditions | | Route Use Conditions | | O6 | Human/animal waste concern |
| R0 | Vehicle barrier (effective/not effective) | U0 | Use extends beyond designated route end | O7 | Vehicle parking or pull-out (view site) |
| R1 | Rutting (depth in inches) | U1 | Out of season use | O8 | Cultural site impacts (old cabins, mines, etc.) |
| R2 | Parallel (braided) tracks | U2 | Off route spur | O9 | Soil crust impacts |
| R3 | Route section wider than typical width of route (in feet) | U3 | Use ignores signs/barriers indicating restricted travel | Note these preceding codes in "Conditions Observed" | |
